

**10<sup>th</sup> Balkan congress of human genetics and  
2<sup>nd</sup> Alpe Adria meeting of human genetics  
Bled, Slovenia 10. – 12. October 2013**

Slovenian Association of Medical Genetics (SAMG) is organising **10<sup>th</sup> Balkan congress of human genetics and 2<sup>nd</sup> Alpe Adria meeting of human genetics (AABC2013)**. The newest discoveries and contemporary topics in genetics will be presented at the meeting. In addition, special attention will be given to newest technologies for sequencing complete genomes and importance of these for contemporary medical genetics approach to patients. Furthermore, the importance of unification of practice guidelines and services in the European region will be stressed.

You are wellcome to present your work in clinical and research fields at AABC2013 with talks and poster presentations in the following fields of human genetics:

- **Genomic medicine, cytogenetics, molecular genetics**
- **Clinical genetics and dysmorphology**
- **Genetics of rare diseases and treatment**
- **Pharmacogenomics and pharmacogenetics**
- **Oncogenomics /oncogenetics**
- **Reproductive genetics**
- **Population genetics and epidemiology**
- **Multifactorial diseases, neurogenetics, immunogenetics**

#### **Meet speakers at the AABC2013**

- **Han Brunner, NETHERLANDS, Gert Matthijs, BELGIUM**
- **Alexander Haslberger AUSTRIA, Angela Brand, NETHERLANDS, Anna Savoia, ITALY, Bela Melegh, HUNGARY, Dijana Plaseska-Karanfilska, MACEDONIA, George P. Patrinos, GREECE, Giuseppe Damante, ITALY, Ingeborg Barisic, CROATIA, Lidia Larizza, ITALY, Maria Puiu, ROMANIA, Maurizio Clementi, ITALY, Nicole de Leeuw, NETHERLANDS, Nina Canki - Klain, CROATIA, Paolo Gasparini, ITALY, Stoyan Lalchev, BULGARIA, Tayfun Özçelik, TURKEY**

**Abstract submission deadline: 30. June 2013**  
**Early registration fee: 30. June 2013**  
**Regular registration fee deadline: 16. September 2013**  
**Late registration fee deadline: 9. October 2013**
